MARCH MEETING

Monday night, March 22nd, at 7:30 p.m. at Rastall Center, we will have Mr. Arthur Zanon give us a talk and slide presentation on "Edible Mushrooms". Art is a past president of the Colorado Mycological Society in Denver, and we are very pleased to have him come down and give us a program. Let's have a SUPER turnout for him.

DR. ROBERT SMITH spoke on "Poisonous Mushrooms" at our February meeting. We had a marvelous turnout, but if you were one who missed it, we must tell you what a lovely evening it was. Dr. Smith graciously gives of his time to our club, and we are pleased that he shared his expertise with us. It also gave us a grave warning to start the year of mushrooming. Know your mushroom well before sampling it for eating. We thank Bob once more for his informative talk.

NEW OFFICER CANDIDATES. Election of officers will take place at our next meeting, Monday, April 26. The nominating committee worked hard and we thank them. The proposed slate at this time is:

President - Judy Baranowski	Treasurer - Viola Garrett
Vice President - Mary Will	Foray Chairman - Dennis Craig
Secretary - Barbara Laura	Newsletter - Barbara Laura
	Refreshments - Nannie Lee Griffith

We are also interested in having several committees, such as:

Public Relations	Telephone	Slide Library
Hospitality	Membership	Library (books)

As you are all aware, the Telephone Committee was very active and very helpful this past year. We wish to specially thank Pat Gustavson, Claude McKee, Darlene Hinton, and Jackie Susla for their efforts in reaching everyone to advise them of special events and changes in schedules. You can see how your efforts are appreciated. We have had very large turnouts for programs and forays alike. If you would like to be involved with any of the above committees, please let us know. We would like everyone in our club to be included in at least one committee - PLEASE.

If you wish to nominate someone else for the offices listed above, come to the Monday night meeting, or if unable, call someone to put in the nomination for you.

APRIL MEETING - Along with our election of officers, our own dear Dave Smith, past president, past newsletter editor, and past runner every Saturday that we were also having a foray, is going to give our program. He attended the Port Townsend, Washington foray last year and has some interesting ideas in presentation.

The Horticultural Arts Society has given us permission to have a table at their outdoor plant show at Honnen Ice Rink in May. This is the 3rd week, 20th, 21st and 22nd. The plant show is always great. If you wish to spend some time at the table telling about our club and how to join, please give us your choice of times.

SEE YOU MONDAY NIGHT!
