

S P O R E - A D D I C T T I M E S

MAY, 1985 NEWSLETTER

---

MAY MEETING - Due to the Memorial Day holiday, we have changed our meeting date to Tuesday, the 28th, 7:30 p. m. at Rastall Center, second floor. The program for the evening will be a real treat. Paul Goldsmith will be joining us from the Colorado Mycological Society to discuss commercial harvesting of wild mushrooms. This is a very timely issue and those of the club who have heard the talk found it very informative. Please show your support by attending.

This will be the last newsletter from the hands of Barbara Laura for at least two years. The State Department job I have been "threatening" actually came through and I will be leaving for the foreign service June 1st. This has not given me much time to work things out. BUT we will be needing help on the newsletter. My post will be Tunis, Tunisia, North Africa. It is supposed to be a very beautiful resort area with 1,000 miles of Mediterranean. If anyone is passing through, I will be at the American Embassy, Tunis, Tunisia. I do hope that I see some of you, and for those of you who do not travel now, perhaps this will spur you on to wider horizons. Forgive me for taking us so much space in the newsletter.

We also need someone to help May Saleny with the refreshments.

SINCE TIME IS SHORT, AND WE NEED TO GET THIS MAILED - WE WILL CUT THIS SHORT AND HOPE TO SEE YOU ALL MONDAY NIGHT FOR A ROUSING SEND OFF.

Au Revoir
