October 1994

## Meeting News: "Mushroom Pot- luck" Monday, 24 Oct, 7 PM

The 1994 season has reached its close, and that means that it's time for the annual PPMS end-of-the-season potluck meeting. A great tradition resumes this year with Noel and Genevieve Damon once again hosting the event.

The potluck will be on Monday, 24 October, at 7:00 p.m. The map below shows the way to the Damon's home at 7125 Suntide Place (598-1832). Noel suggests taking a flashlight to help you read street signs. Everyone should take a dish to share, plus any photos or slides from the past year.

As usual, we will close out the year's business with the nomination and election of next year's Society officers. We need nominations for all offices except president.

The Society also needs a newsletter editor as this is my last newsletter and last year with the society.

Many thanks to everyone who contributed poems and articles this year.

Happy Trails!
